*“To improve the lives of
our members, students,
and community.”*

February 22, 2012

I am very pleased to report that Chapter 262 has concluded negotiations for their 2011 – 2014 Successor Agreement. CSEA policy requires that all of the Tentative Agreements be forwarded to the Santa Fe Field Office for approval prior to ratification by our members. It is anticipated that the negotiated changes will be submitted for Trustee approval at the April Board Meeting. I would like to personally thank the Chapter 262 and District Negotiations Teams for working diligently and collaboratively to finalize this Successor Agreement.

As you are aware, Article 7: Salaries and Article 8: Health and Welfare were of particular concern to Chapter 262 members. At our final negotiations session on February 15, Chapter 262 and the District reached Tentative Agreement on both of these Articles. At a Special Meeting, held yesterday, our membership overwhelmingly ratified them and they are included as Action #5 on tonight’s Agenda. I would like to encourage and would appreciate the Boards approval of them tonight.

On behalf of the Chapter 262 members, I would like to extend a sincere thank you to Dr. Scroggins for his insistence <??> in including the Tentative Agreements in the Agenda this evening.

While I am very pleased with the outcome of Chapter 262’s negotiations, I am disappointed in the status of Chapter 651’s negotiations. I sincerely hope the District will restart the negotiations process with them and wish them success.

Thank you and good evening,

Respectfully submitted,

Laura Martinez, President
