*“To improve the lives of
our members, students,
and community.”*

September 12, 2012

Good evening,

On behalf of CSEA 262 I would like to thank Trustees Baca and Chen-Haggerty for their attendance at the Classified Opening Meeting on Convocation Day. The activities planned for classified staff were well attended and I look forward to the Classified Professional Development Committee assuming the responsibility for future planning.

Over the summer I attended CSEA's 86th Annual Conference, along with four other delegates. I was surprised and proud that my fellow Mt. SAC colleague Cason Smith provided the voiceovers for the Veterans tribute during the opening ceremony. We had the opportunity to hear from Governor Jerry Brown who spoke about the importance of Proposition's 30 & 32 in the upcoming November elections. As always, this is a valuable conference that allows delegates to make decisions on the future of our Association.

Also, during the summer Chapter 262 1st Vice President Cason Smith attended the California Labor Federation Biennial Convention in San Francisco. He was one of only seven people chosen from CSEA's thousands of members to represent our Association at this event. During this Convention he had the opportunity to meet and talk with Governor Brown and U.S. Secretary of Labor Hilda Solis.

I would like to extend congratulations to Classified Senate President Dr. DeeJay Santiago on the completion of his doctoral program.

Respectfully submitted,

Laura Martinez
President
