*“To improve the lives of
our members, students,
and community.”*

November 14, 2012

Good evening,

On behalf of Chapter 262 I would like to publicly thank the hundreds of CSEA member volunteers who successfully helped with the Proposition 30 and 32 campaigns. They spent countless hours, over many months, informing California voters of the importance of these propositions. They began their volunteer work many months ago by gathering signatures to ensure Proposition 30 would be on the November 6th ballot. They continued the fight by phone banking and spending countless hours precinct walking. Their efforts culminated in a huge “Get Out The Vote” event on election day.

I am particularly proud of Mt. SAC classified staff members, Jessie Check-Cinco, from Financial Aid, Bill Rawlings, and Rondell Schroeder, of I.T., and Cason Smith, from Technical Services for all of their efforts. Jessie, Rondell, and I had an opportunity to precinct walk, for the first time, within the last four days of the campaign. During this last “push,” CSEA members broke new records, contacting well over 200,000 people. Though some might say this effort was simply an attempt to save jobs, my experience indicates otherwise. Members were far more concerned about the future of the students in their schools than to any devastating effects to California’s economy. Though the efforts of classified often go unnoticed and unappreciated in the educational process, I maintain they played a significant part to save the process in this election.

I am very proud to be associated with an organization that continues to make a difference in the lives and futures of our students.

I would also like to commend and congratulate student leadership for taking an active part in their future.

Respectfully submitted,

Laura Martinez
President
