INFORMATION TECHNOLOGY ADVISORY COUNCIL

Representative(s): Bill Rawlings and Robert Jackson

Continuing to review Technology Master Plan to integrate with the other Master Plans.

PRESIDENT'S ADVISORY COUNCIL

Representative(s): Laura Martinez

1st Wednesday of the month

Our last meeting was held on January 23, with the February 13, meeting cancelled. At the January 23 meeting we focused on the Mission Statement Task Force. In the fall we determined a need to update our Mission statement, which currently reads:

The mission of Mt. San Antonio College is to welcome all students and to support them in achieving their personal, educational, and career goals in an environment of academic excellence.

PAC collectively agreed the existing Mission Statement needs revision and in the short term we would make minor adjustments to the statement, with a goal of seeking campus input on a major revision. Some suggested changes were made and we will review them at our next PAC meeting.

Additionally, we reviewed AP 3720 – Use of Technology and Information Resources, I determined that this was a negotiable item and had to be reviewed by the Negotiations Team. It will be placed on a future Agenda.

Our next meeting is scheduled for February 27, 2013.

SUB-COMMITTEES

Classified Professional Development Council – Sub-committee of the Professional Development Council

Representative (s): Brenda Dial

1st Thursday of the month 11am-12pm

Classified Professional Development Day (CPDD) was held yesterday, Wednesday, February 20, 2013. We had a great enrollment rate and are looking forward to hearing back from everyone about their experiences in the workshops. A full update will be available on March's Governance Report. CPDC is continuing to plan the second offering of the New Employee Welcome (NEW) workshop. As a reminder, all employees hired within the past 6 mos. are invited to attend, via personal invitation. The event is specifically geared toward introducing new hires to Mt. SAC and giving them a better understanding of everything that goes on campus. This latest offering of NEW will be held on Thursday, April 18, 2013. If you receive an invitation, please join us as we look forward to welcoming you to our campus.

New Committees and Appointments – Congratulation!
