EMPLOYEE WELLNESS TASK FORCE

Representative(s): Jacolyn Martinez

1st and 3rd Wednesdays of the month

The Top Loser Program was very successful; the winners were recognized at the Board of Trustees meeting in July. For future events, the committee is currently gathering ideas for employee health programs from organizations such as American Heart Association and others. The Wellness Center hours were increased for summer 7am-8pm and three additional classes were added.

Currently, the committee is working on the Purpose and Function Statement to become an Official Shared Governance Committee. This should be completed by the next meeting.
